2020 Compendium of Grant Opportunities

Amanda Burrow has updated our list of current and upcoming specific grant calls and fellowship opportunities, with hyperlinks to more information. You can find them at

<http://epweb2.ph.bham.ac.uk/user/newman/PhysicsOpenCallsJan2020.pdf> . Feel free to contact

Amanda for further advice and help. A.Burrow@bham.ac.uk

Outreach and public engagement

- Please remember to use our feedback forms in your public engagement events, to capture impact for REF. Please leave the completed feedback forms in Linda Rogers' pigeon hole or keep the originals and email her a scanned copy.
- Please remember to record your event on our website:
<http://www.sr.bham.ac.uk/physicsOutreach/login.php>
(username: physics_outreach and password: LSJD)

Advertised as a chance to absorb yourself in a day full of geospatial technologies, techniques and discovery.

A fantastic opportunity to:

- **Learn from your peers** on how GIS is being used to see what others can't
- **Get hands-on experience** using the latest ArcGIS innovations
- **Receive best practice advice** from our technical expert
- **Network and share ideas** with like-minded people in our GIS community
